

RECRUITMENT ADVERTISEMENT

The Central University of Technology, Free State invites suitably qualified candidates to submit their applications and Curricula Vitae for the position of

Deputy Vice-Chancellor: Teaching & Learning

(Performance- and contract-based for a period of five years)

DESCRIPTION

- The successful candidate will be an executive manager responsible for institutional teaching & learning and related functions consisting of, amongst others, the four faculties, innovation in learning & teaching, institutional and academic planning, quality enhancement and enterprise risk management, student academic support, academic staff development, library & information services and other functions related to these.
- The University is looking for a visionary leader with a proven ability to strategically lead, manage and monitor this set of function in a multi-disciplinary fashion and in a university whose focus is on social and technological innovations whose outcomes must be felt first and foremost in the central region of South Africa.
- As the successful candidate, you have a proven record of producing innovative and sustainable solutions through inspired and diverse employees. You are comfortable to work in a rapidly changing socio-economic and higher education environment, and to lead and participate in university-wide decision-making processes towards achieving the university's strategic goals in line with Vision 2020, our core values and our transformational imperatives. You are emotionally intelligent, resilient and able to thrive in this demanding social and educational environment.
