## 1. RULES OF THE FACULTY OF MANAGEMENT SCIENCES

The following rules are supplementary to the rules contained in the Calendar of the Central University of Technology, Free State (CUT).

### GENERAL

**A student may only follow the second-, third- or fourth-year level of study on condition that the first-, second- or third-year level respectively has been successfully completed.**

A diploma programme may not be completed in less than three years, unless the student has been awarded exemption or recognition for at least four instructional offerings. Under such circumstances, the diploma programme may not be completed in less than two years.

In the case of Public Management, however, students register as follows: First year: Six instructional offerings; Second year: Six instructional offerings; Third year: Seven instructional offerings; Fourth year: Six instructional offerings.

Students must participate in all scheduled assessments. In the event of absence for a valid reason, it is the student's responsibility to arrange with the relevant lecturer and/or the Assessment and Graduation Unit for a special assessment session, or risk being penalised. The Assessment Policy and Procedure Manual for 2014 contains comprehensive information regarding the assessment process.

Students may be expected to attend certain lectures in the evening or on a block basis over weekends.

In the case of Public Management, all lectures from the first to the third year are presented during the day and repeated in the evening. Fourth-year classes are presented in the evening only.

A student must compile the curriculum according to the class and venue timetable and is personally responsible for ensuring that there is no timetable scheduling conflicts.

**No student will be allowed to graduate without successful completion of the Academic Literacy Programme.**

**Official and complete admission requirements are contained in Chapter 5. Admission requirements reflected in the learning programme part of the Calendar are sometimes only a summarised version thereof.**

#### REMARKS

This learning programme is presented during the day only.

After successful completion of the National Higher Certificate, a student may apply to the Assessment and Graduation Unit for the issuing of such a Higher Certificate, which will be awarded during an official graduation ceremony of CUT.

#### Admission requirements

A National Senior Certificate or equivalent qualification is required for admission to the first year of study.

Applicants in possession of the National Certificate Vocational (NCV) will be selected according to the selection requirements as approved by Senate.

**Prerequisite Grade 12 subjects:**

For candidates who matriculated in 2007 or before:

Accounting – C symbol (60%) minimum on SG or D symbol (50%) minimum on HG.

For candidates who completed the NSC in 2008 and thereafter:

Accounting – 50% minimum (Rating 4).

The candidate may be required to write a selection test.

**PREREQUISITES**

The student may only follow the second-year level of study on condition that the first-year level has been successfully completed.

No student will be allowed to graduate without completing the Academic Literacy programme.

Academic Literacy requires the successful completion of two instructional offerings, A and B, in this specific order.

A distinction (75% or more) in instructional offering A ensures exemption from instructional offering B. A pass (without distinction) means that the student must pass instructional offering B in order to meet the prerequisite for the learning programme. Failing instructional offering A means that the student must reregister for instructional offering A in a subsequent semester.

## REMARKS

### **This learning programme is offered on a full-time basis.**

The student completes a period of work-integrated learning at an accredited hospitality institution during the first six months of the second year and the last six months of the third year of study.

It is compulsory for students to adhere strictly to the stipulated dress code. The Hotel School insists that its students conform to the international standards of positive professional attitude. Only students possessing a combination of sufficient knowledge of the instructional offering and a positive, professional attitude merit a diploma. Lecturers continuously assess students as far as knowledge of instructional offerings and professional attitude are concerned.

It is expected of students to participate in community engagement projects initiated by the Hotel School in order to advance their field of expertise and their ability to work under pressure in industry situations. A student who is absent from a function without a valid excuse may be denied admission to Hospitality Work-Integrated Learning II & III.

Involvement in functions organised by the Hotel School forms part of the instructional offering. All students are to be involved in departmental functions organised by the function co-ordinator. All functions involving the department are the responsibility of the function co-ordinator and are approved at a departmental meeting.

Any application for permission to be absent from class due to illness, death of a family member or other urgent matter is to be submitted to the secretary of the Hotel School. A student absent without a valid excuse from two practicals in the same instructional offering risks being denied admission to the final assessment in that particular instructional offering.

After successful completion of this qualification, a National Diploma will be awarded during an official graduation ceremony of CUT.

Applicants in possession of the National Certificate Vocational (NCV) will be selected according to the selection requirements as approved by Senate.

### **Admission requirements**

In consideration of the demanding nature of the hospitality industry, the Hotel School follows a strict

selection process. An applicant's suitability for the course is assessed on the basis of previous academic performance. In addition, an applicant wishing to be considered for this learning programme must possess qualities such as versatility, willpower, determination, social skills, and the ability to work independently.

Previous and current involvement/interest in the industry will be to the candidate's advantage.

Due to the limited number of students that can be accommodated, interviews and psychometric testing are conducted with prospective candidates with a CUT score lower than 32 at the Hotel School in Bloemfontein. Applicants must convince the selection panel of their motivation, attitude and enthusiasm for a career in Hospitality Management.

Proficiency in written and spoken English is essential.

### **Optional instructional offerings**

All instructional offerings are compulsory.

### **PREREQUISITES**

Academic Literacy requires the successful completion of two instructional offerings, A and B, in this specific order. A distinction (75% or more) in instructional offering A ensures exemption from instructional offering B. A pass (without distinction) means that the student must pass instructional offering B in order to meet the prerequisite for the learning programme. Failing instructional offering A means that the student must reregister for instructional offering A in a subsequent semester.

- No student will be allowed to graduate without completing the Academic Literacy programme.
- A student may only follow the second- or third-year level of study on condition that the first-, or second-year level respectively has been successfully completed.
- A student may only register for Accommodation Management II if he/she has passed Accommodation Management I: Theory and Accommodation Management I: Practical.
- A student will not be placed for Hospitality Work-Integrated Learning II if he/she has not passed Culinary Studies I (Theory and Practical) and Food & Beverage Studies I (Theory and Practical).
- A student must pass Culinary Studies: Theory I, Culinary Studies: Practical I and Nutrition I before he/she will be allowed to register for Culinary Studies II.
- A student may only register for Hospitality Event Management if he/she has passed Culinary Studies & Nutrition II and Food & Beverage Studies II.
- A student will only be placed for Hospitality Work-Integrated Learning III if he/she has passed Hospitality Management III and Accommodation Management III.
- A student who is dismissed while undergoing his/her Work-Integrated Learning due to misconduct will fail the instructional offering and will have to reapply for admission to the Hotel School.
- A student may only follow the second, third and fourth-year level of study on condition that the first-, second- or third-year level respectively has been successfully completed.

**REMARKS**

The student is required to do practical work in a business as part of the final mark in certain instructional offerings (Work-Integrated Learning). Only students who have passed all their first- and second-year subjects may enrol for Work-Integrated Learning.

This learning programme is presented during the day only.

After successful completion of this qualification, a National Diploma will be awarded during an official graduation ceremony of CUT.

Applicants in possession of the National Certificate Vocational (NCV) will be selected according to the selection requirements as approved by Senate.

**Admission requirements**

Grade 12. Certain selection criteria apply. Candidates may be required to write a selection test.

**PREREQUISITES**

The student may only follow the second-, third- or fourth-year level of study on condition that the first-, second- or third-year level respectively has been successfully completed.

**Please note:** Personal Selling I is a prerequisite for Sales Management III.

Academic Literacy requires the successful completion of two instructional offerings, A and B, in this specific order.

A distinction (75% or more) in instructional offering A ensures exemption from instructional offering B. A pass (without distinction) means that the student must pass instructional offering B in order to meet the prerequisite for the learning programme. Failing instructional offering A means that the student must reregister for instructional offering A in a subsequent semester.

No student will be allowed to graduate without completing the Academic Literacy programme.

A student taking Marketing II must also take Consumer Behaviour I. (Not necessarily in the same year.)

A student taking International Marketing II must also take International Business Management II. (Not necessarily in the same year.)
