1. RULES OF THE FACULTY OF HUMANITIES

The following rules are supplementary to the rules contained in the Calendar of the Central University of Technology, Free State (CUT).

GENERAL

A list of prescribed textbooks for the different learning programmes is issued on enrolment.

A student may only follow the second-, third- or fourth-year level of study on condition that the first-, second- or third-year level respectively has been successfully completed.

A diploma programme may not be completed in less than three years, unless the student has been awarded exemption or recognition for at least four instructional offerings. Under such circumstances, the diploma programme may not be completed in less than two years.

Students must participate in all scheduled assessments. In the event of absence for a valid reason, it is the student's responsibility to arrange with the relevant lecturer and/or the Assessment and Graduation Unit for a special assessment session, or risk being penalised. The Assessment Manual for 2014 gives comprehensive information regarding the assessment process.

Students may be expected to attend certain lectures in the evening or on a block basis over weekends.

Official and complete admission requirements are contained in Chapter 5 of the CUT Calendar. Admission requirements reflected in the learning programme part of the Calendar are sometimes only a summarised version thereof.

REMARKS

Work-integrated learning, as part of the instructional offering Retail Practice II, is to be completed in the third year.

After successful completion of this qualification, a National Diploma will be awarded during an official graduation ceremony of CUT.

Applicants in possession of the National Certificate Vocational (NCV) will be selected according to the selection requirements as approved by Senate.

Admission requirements

National Senior Certificate or equivalent qualification.

For candidates who matriculated in 2007 or before:

In addition to the general admission requirements, a pass in Needlework is recommended.

For candidates who completed the NSC in 2008 and thereafter:

In addition to the general admission requirements, candidates must submit a portfolio of their work.

Consumer Studies is recommended.

Optional instructional offerings

All instructional offerings are compulsory.

PREREQUISITES

Instructional offerings at first-year level (e.g. Clothing Construction I) must be passed before a student will be permitted to enrol for the second- or third-year level (e.g. Clothing Construction II and Clothing Construction III). Pattern Construction and Clothing Construction are to be passed in the same year. No student is permitted to enrol for the subsequent level unless both instructional offerings have been passed in the same year.

Refer to the heading “General”, point 1, paragraph 2 of this chapter.

Academic Literacy requires the successful completion of two instructional offerings, A and B, in this specific order.

A distinction (75% or more) in instructional offering A ensures exemption from instructional offering B. A pass (without distinction) means that the student must pass instructional offering B in order to meet the prerequisite for the learning programme. Failing instructional offering A means that the student must reregister for instructional offering A in a subsequent semester.

No student will be allowed to graduate without completing the Academic Literacy Programme.

REMARKS

After successful completion of this qualification, a National Diploma will be awarded during an official graduation ceremony of CUT.

Applicants in possession of the National Certificate Vocational (NCV) will be selected according to the selection requirements as approved by Senate.

Admission requirements

National Senior Certificate or equivalent qualification.

For candidates who matriculated in 2007 or before:

In addition to the general admission requirements, a minimum mark of 60% on Higher Grade in any **two** official regional languages is required.

For candidates who completed the NSC in 2008 and thereafter:

In addition to the general admission requirements, a minimum mark of 60% in any **two** official regional languages is required.

- Only a limited number of students will be selected.
- All first-year students will be required to write a selection test.
- Final selection will be based on Grade 12 entry requirements and the results obtained in the selection test.

Optional instructional offerings

Afrikaans, English, Sesotho, German, French, isiXhosa, Setswana or Business Administration I.

PREREQUISITES

Refer to the heading “General”, point 1, paragraph 2 of this chapter.

Academic Literacy requires the successful completion of two instructional offerings, A and B, in this specific order.

A distinction (75% or more) in instructional offering A ensures exemption from instructional offering B. A pass (without distinction) means that the student must pass instructional offering B in order to meet the prerequisite for the learning programme. Failing instructional offering A means that the student must reregister for instructional offering A in a subsequent semester.

No student will be allowed to graduate without completing the Academic Literacy Programme.

REMARKS

The aim of the Extended Curriculum Programme (ECP) in Clothing is to provide a set of learning activities that are designed to enable students from disadvantaged educational backgrounds to perform successfully in their chosen field of study. Components of the foundational provision in the ECP are an intrinsic part of the curriculum of the normal National Diploma programme. Only students who pass all instructional offerings during their first year of study will be allowed to register for the second year. Only a limited number of students will be accepted.

After successful completion of this qualification, a National Diploma will be awarded during an official graduation ceremony of CUT.

Applicants in possession of the National Certificate Vocational (NCV) will be selected according to the selection requirements as approved by Senate.

Admission requirements

Candidates will only be admitted following a successful interview and/or the submission of a portfolio. Information is available from the Head of Department.

National Senior Certificate or equivalent qualification.

For candidates who matriculated in 2007 or before:

In addition to the general admission requirements, a pass in Needlework is recommended.

For candidates who completed the NSC in 2008 and thereafter:

In addition to the general admission requirements, candidates must submit a portfolio of their work. Consumer Studies is recommended.

Optional instructional offerings

All instructional offerings are compulsory.

PREREQUISITES

Instructional offerings at first-year level (e.g. Clothing Construction I) must be passed before a student will be permitted to enrol for the second- or third-year level (e.g. Clothing Construction II and Clothing Construction III). Pattern Construction and Clothing Construction are to be passed in the same year. No student is permitted to enrol for the subsequent level unless both instructional offerings have been passed in the same year.

The student may only enrol for the second-, third- or fourth-year level of a learning programme provided he/she has passed the first-, second- or third-year level respectively.

Academic Literacy requires the successful completion of two instructional offerings, A and B, in this specific order.

A distinction (75% or more) in instructional offering A ensures exemption from instructional offering B. A pass (without distinction) means that the student must pass instructional offering B in order to meet the prerequisite for the learning programme. REMARKS

After successful completion of this qualification, a Baccalaureus Educationis Degree will be awarded during an official graduation ceremony of CUT.

Applicants in possession of the National Certificate Vocational (NCV) will be selected according to the selection requirements as approved by Senate.

Admission requirements

For candidates who matriculated in 2007 or before:

FET Certificate / Senior Certificate with matriculation exemption at NQF level 4. If Mathematics is selected, Mathematics at NQF level 4 with a D symbol on Higher Grade or C symbol on Standard Grade is required.

For candidates who completed the NSC in 2008 and thereafter:

In addition to the general admission requirements, the candidate must be in possession of the NSC with endorsement for admission to a Bachelor's Degree. A candidate selecting Mathematics as a major instructional offering must have passed either Mathematics with a minimum mark of 50%, or Mathematical Literacy with a minimum mark of 70%. A pass in Information Technology is recommended.

Duration of learning programme

The learning programme entails four years of full-time study and 15 weeks of Work-Integrated Learning in the first three years, plus six months of Work-Integrated Learning in the final year at an FET institution.

Compulsory instructional offerings

Information Technology I, II & III and Computer Applications Technology I, II & III are compulsory instructional offerings.

PREREQUISITES

The student may only follow the second-, third- or fourth-year level of study on condition that the first-, second- or third-year level respectively has been successfully completed.

Academic Literacy requires the successful completion of two instructional offerings, A and B, in this specific order.

A distinction (75% or more) in instructional offering A ensures exemption from instructional offering B. A pass (without distinction) means that the student must pass instructional offering B in order to

meet the prerequisite for the learning programme. Failing instructional offering A means that the student must reregister for instructional offering A in a subsequent semester.

No student will be allowed to graduate without completing the Academic Literacy Programme.

REMARKS

After successful completion of this qualification, a Baccalaureus Educationis Degree will be awarded during an official graduation ceremony of CUT.

Applicants in possession of the National Certificate Vocational (NCV) will be selected according to the selection requirements as approved by Senate.

Admission requirements

For candidates who matriculated in 2007 or before:

FET Certificate / Senior Certificate with matriculation exemption. Grade 12 Accounting is a prerequisite. Mathematics at NQF level 4, with at least a D symbol on Standard Grade, is also required.

For candidates who completed the NSC in 2008 and thereafter:

In addition to the general admission requirements the candidate must be in possession of the NSC with endorsement for admission to a Bachelor's Degree. A candidate selecting Mathematics as a major instructional offering must have passed either Mathematics with a minimum mark of 50%, or Mathematical Literacy with a minimum mark of 70%. A minimum mark of 50% in Accounting is required, irrespective of whether or not the candidate continues with Accounting after year one.

Duration of learning programme

The learning programme entails four years of full-time study and 15 weeks of Work-Integrated Learning in the first three years, plus six months of Work-Integrated Learning in the final year at an FET institution.

PREREQUISITES

The student may only follow the second-, third- or fourth-year level of study on condition that the first-, second- or third-year level respectively has been successfully completed.

Academic Literacy requires the successful completion of two instructional offerings, A and B, in this specific order.

A distinction (75% or more) in instructional offering A ensures exemption from instructional offering B. A pass (without distinction) means that the student must pass instructional offering B in order to meet the prerequisite for the learning programme. Failing instructional offering A means that the student must reregister for instructional offering A in a subsequent semester.

No student will be allowed to graduate without completing the Academic Literacy Programme.

REMARKS

After successful completion of this qualification, a Magister Educationis Degree will be awarded during an official graduation ceremony of CUT.

Admission requirements

The Master of Education Degree programme is designed for candidates seeking to enhance their professional preparation and/or prepare for other responsibilities in education. On successful completion of his/her studies, the graduate is expected to possess those professional attributes and competencies to qualify for a position of responsible leadership. The MEd programme may be pursued in the field of education only.

A candidate seeking to pursue the Master of Education Degree (Research) is to submit a letter of application for admission to the Director of the School of Teacher Education, via the Head of Department, before completing the relevant application forms of CUT. The applicant to this degree programme must:

1. Hold a BEd (Hons) degree or an Education-related honours degree with a professional teaching qualification from an accredited university;
2. Have an average pass rate of 60% or above at BEd (Hons) level;
3. Have passed the subject Research Methodology at BEd (Hons) level with a minimum of 65% (the content of the Research Methodology course will be evaluated);
4. Submit copies of official transcripts of all previous undergraduate and graduate work, for verification of the candidate's scholarly performance;
5. Submit at least two letters of recommendation from previous lecturers/professors who can attest to the candidate's promise as a postgraduate student;
6. Submit a detailed statement of professional goals; and
7. Submit a research proposal.

A candidate may apply for Recognition of Prior Learning (RPL), and in this case is required to submit a portfolio as determined by the Department of Teacher Education.
