1. RULES OF THE FACULTY OF HUMANITIES

The following rules are supplementary to the rules contained in the Calendar of the Central University of Technology, Free State (CUT).

GENERAL

A list of prescribed textbooks for the different learning programmes is issued on enrolment.

A student may only follow the second-, third- or fourth-year level of study on condition that the first-, second- or third-year level respectively has been successfully completed.

A diploma programme may not be completed in less than three years, unless the student has been awarded exemption or recognition for at least four instructional offerings. Under such circumstances, the diploma programme may not be completed in less than two years.

Students must participate in all scheduled assessments. In the event of absence for a valid reason, it is the student's responsibility to arrange with the relevant lecturer and/or the Assessment and Graduations Unit for a special assessment session, or risk being penalised. The Assessment Manual for 2016 provides comprehensive information regarding the assessment process.

Students may be expected to attend certain lectures in the evening or on a block basis over weekends.

Official and complete admission requirements are contained in Chapter 5 of the CUT Calendar. Admission requirements reflected in the learning programme part of the Calendar are sometimes only a summarised version thereof.

REMARKS

Work-integrated learning, as part of the instructional offering Retail Practice II, is to be completed in the third year.

After successful completion of this qualification, the National Diploma will be awarded during an official graduation ceremony of CUT.

Applicants in possession of the National Certificate Vocational (NCV) will be selected according to the selection requirements as approved by Senate.

Admission requirements

A National Senior Certificate or equivalent qualification.

For candidates who matriculated in 2007 or before:

In addition to the general admission requirements, a pass in Needlework is recommended.

For candidates who completed the NSC in 2008 and thereafter:

In addition to the general admission requirements, candidates must submit a portfolio of their work. Consumer Studies is recommended.

Optional instructional offerings

All instructional offerings are compulsory.

PREREQUISITES

Instructional offerings at first-year level (e.g. Clothing Construction I) must be passed before a student will be permitted to enrol for the second- or third-year level (e.g. Clothing Construction II and Clothing Construction III). Pattern Construction and Clothing Construction are to be passed in the same year. No student is permitted to enrol for the subsequent level unless both instructional offerings have been passed in the same year.

Refer to the heading “General”, point 1, paragraph 2 of this chapter.

Academic Literacy and Communication Studies requires the successful completion of two instructional offerings, A and B, in this specific order.

A distinction (75% or more) in instructional offering A ensures exemption from instructional offering B. A pass (without distinction) means that the student must pass instructional offering B in order to meet the prerequisite for the learning programme. Failing instructional offering A means that the student must re-register for instructional offering A in a subsequent semester.

No student will be allowed to graduate without completing the Academic Literacy and Communication Studies programme.

REMARKS

The aim of the Extended Curriculum Programme (ECP) in Clothing is to provide a set of learning activities that are designed to enable students from disadvantaged educational backgrounds to perform successfully in their chosen field of study. Components of the foundational provision in the ECP are an intrinsic part of the curriculum of the normal National Diploma: Clothing programme. Only students who pass all instructional offerings during their first year of study will be allowed to register for the second year. Only a limited number of students will be accepted.

After successful completion of this qualification, the National Diploma will be awarded during an official graduation ceremony of CUT.

Applicants in possession of the National Certificate Vocational (NCV) will be selected according to the selection requirements as approved by Senate.

Admission requirements

Candidates will only be admitted following a successful interview and/or the submission of a portfolio. Information is available from the Head of Department.

A National Senior Certificate or equivalent qualification.

For candidates who matriculated in 2007 or before:

In addition to the general admission requirements, a pass in Needlework is recommended.

For candidates who completed the NSC in 2008 and thereafter:

In addition to the general admission requirements, candidates must submit a portfolio of their work. Consumer Studies is recommended.

Optional instructional offerings

All instructional offerings are compulsory.

PREREQUISITES

Instructional offerings at first-year level (e.g. Clothing Construction I) must be passed before a student will be permitted to enrol for the second- or third-year level (e.g. Clothing Construction II and Clothing Construction III). Pattern Construction and Clothing Construction are to be passed in the same year. No student is permitted to enrol for the subsequent level unless both instructional offerings have been passed in the same year.

The student may only enrol for the second-, third- or fourth-year level of a learning programme if he/she has passed the first-, second- or third-year level respectively.

Academic Literacy and Communication Studies requires the successful completion of two instructional offerings, A and B, in this specific order.

A distinction (75% or more) in instructional offering A ensures exemption from instructional offering B. A pass (without distinction) means that the student must pass instructional offering B in order to meet the prerequisite for the learning programme. REMARKS

After successful completion of this qualification, a Baccalaureus Educationis degree will be awarded during an official graduation ceremony of CUT.

Applicants in possession of the National Certificate Vocational (NCV) will be selected according to the selection requirements as approved by Senate.

Admission requirements

For candidates who matriculated in 2007 or before:

An FET Certificate/National Senior Certificate with matriculation exemption at NQF level 4. If Mathematics is selected, Mathematics at NQF level 4 with a D-symbol on higher grade or C-symbol on standard grade is required.

For candidates who completed the NSC in 2008 and thereafter:

In addition to the general admission requirements, the candidate must be in possession of the NSC with endorsement for admission to a bachelor's degree. A candidate selecting Mathematics as a major instructional offering must have passed either Mathematics with a minimum mark of 50% or Mathematical Literacy with a minimum mark of 70%. A pass in Information Technology is recommended.

Duration of learning programme

The learning programme entails four years of full-time study and 15 weeks of work-integrated learning in the first three years, plus six months of work-integrated learning in the final year at an FET institution.

Compulsory instructional offerings

Information Technology I, II & III and Computer Applications Technology I, II & III are compulsory instructional offerings.

PREREQUISITES

The student may only follow the second-, third- or fourth-year level of study on condition that the first-, second- or third-year level respectively has been successfully completed.

Academic Literacy and Communication Studies requires the successful completion of two instructional offerings, A and B, in this specific order.

A distinction (75% or more) in instructional offering A ensures exemption from instructional offering B. A pass (without distinction) means that the student must pass instructional offering B in order to meet the prerequisite for the learning programme. Failing instructional offering A means that the student must re-register for instructional offering A in a subsequent semester.

No student will be allowed to graduate without completing the Academic Literacy and Communication Studies programme.

REMARKS

This programme is based on the norms and standards for educators.

After successful completion of this qualification, a Baccalaureus Educationis degree will be awarded during an official graduation ceremony of CUT.

Applicants in possession of the National Certificate Vocational (NCV) will be selected according to the selection requirements as approved by Senate.

Admission requirements

For candidates who matriculated in 2007 or before:

An FET Certificate/National Senior Certificate with matriculation exemption. Mathematics, Biology, Chemistry and Physical Sciences at NQF level 4 are prerequisites. A C-symbol on standard grade or an E-symbol on higher grade in Mathematics is required.

For candidates who completed the NSC in 2008 and thereafter:

In addition to the general admission requirements, the candidate must be in possession of an NSC with endorsement for admission to a bachelor's degree. A candidate selecting Physical Sciences and/or Chemistry as major instructional offering(s) must have passed Physical Sciences with a minimum mark of 50%. A candidate selecting Mathematics as a major instructional offering must have passed Mathematics with a minimum mark of 50%.

Duration of learning programme

The learning programme entails four years of full-time study and 15 weeks of work-integrated learning in the first three years, plus six months of work-integrated learning in the final year at an FET institution.

PREREQUISITES

The student may only follow the second-, third- or fourth-year level of study on condition that the first-, second- or third-year level respectively has been successfully completed.

Academic Literacy and Communication Studies requires the successful completion of two instructional offerings, A and B, in this specific order.

A distinction (75% or more) in instructional offering A ensures exemption from instructional offering B. A pass (without distinction) means that the student must pass instructional offering B in order to meet the prerequisite for the learning programme. Failing instructional offering A means that the student must re-register for instructional offering A in a subsequent semester.

No student will be allowed to graduate without completing the Academic Literacy and Communication Studies programme.

21.5 BACCALAUREUS EDUCATIONIS: (FET): SPECIALISATION: TECHNOLOGY BWBEST

(No new first-year intake for the Baccalaureus Educationis: (FET): Technology as from 2016.)

This learning programme will be offered in Bloemfontein.

REMARKS

After successful completion of this qualification, a Master of Education degree will be awarded during an official graduation ceremony of CUT.

A person who has registered for a master's degree will automatically be deregistered if the proposal and form LS 262 are not approved within six months (full-time master's degree students) or one year (part-time master's degree students) respectively.

Admission requirements

Admission to an MEd degree is subject to the approval of the relevant Head of Department or his/her delegate.

Candidates must be in possession of:

- a BEd (Hons) degree; or
- an appropriate 480-credit NQF level 8 professional bachelor's degree; or
- a relevant honours degree; or
- a postgraduate diploma for a cognate Master of Education degree programme, as long as it meets the HEQSF research requirement of at least 30 credits.

Candidates must have obtained an average pass rate of 60% in the Honours Degree and a minimum of 60% for the Research Methodology module.

The minimum duration of the learning programme for a master's degree is one year of full-time study or two consecutive years of part-time study. Any person enrolled as a student at CUT while also holding a position at a place of work in terms of the Labour Relations Act (Act 66 of 1995) is considered to be a part-time student, while any other student is considered to be a full-time student. The student registers annually until the Assessment and Graduations Unit confirms that the qualification has been achieved. Notwithstanding the fact that students registering for the first time may register at any given time during the year, the registration is accepted as being effective as from January of the year in question. A student registered for longer than the required minimum duration of study is required to pay an extension fee upon registration, as determined annually by CUT.

Except with the special permission of Senate, a candidate may not be registered for a master's degree for a period exceeding four years.

A candidate may apply for recognition of prior learning (RPL), and in this case is required to submit a portfolio, as determined by the Department of Postgraduate Studies Education.

REMARKS

Admission to the Doctor of Education degree will be subject to the approval of the Head of Department or his /her delegate. Registration for a doctoral degree is subject to the provisions of the Student Assessment Manual.

The minimum duration of the learning programme for a doctoral degree is two consecutive years of full-time study or three consecutive years of part-time study. Any person enrolled as a student at CUT while also holding a position at a place of work in terms of the Labour Relations Act (Act 66 of 1995) is considered to be a part-time student, while any other student is considered to be a full-time student. The student registers annually until the Assessment and Graduations Unit confirms that the qualification has been achieved. Notwithstanding the fact that students registering for the first time may register at any given time during the year, the registration is accepted as being effective as from January of the year in question. A student registered for longer than the required minimum duration of study is required to pay an extension fee upon registration, as determined annually by CUT.

Except with the special permission of Senate, no candidate may be registered for a doctoral degree for a period exceeding five years.

A person who has registered for a doctoral degree will automatically be deregistered if the proposal and form LS 262 are not approved within six months (full-time doctoral degree students) or one year (part-time doctoral degree students) respectively.

Admission

Learning assumed to be in place:

- MEd; or
- RPL equivalent. Evidence of applied competence is to be assessed by a team of suitably qualified and experienced practitioners on the basis of at least a written report, which should include a portfolio to prove educational research experience at the required level, as well as an oral defence of such a report.

Exit-level outcomes

The researcher is able to demonstrate the ability to conduct advanced research at the highest level within complex and often unpredictable contexts on particular aspects of education, culminating in a research thesis.
