PROJECT TEAM	Dr Henk van den Heuvel Dr Denyse Snelder Prof Marja Spierenburg Dr Rene Haarhoff
PUBLICATIONS	n/a
ADDITIONAL INFORMATION	<p>The STRONGBOW Project, Sustainable Tourism based On Natural resource management with Gender Balance towards Women, is a capacity building project developed by the Horn of Africa Regional Environment Centre (HoA-REC) to enhance the ability of Higher Education Institutions (HEIs) to enable them to provide gender sensitive quality education and training in Natural Resources Management, Tourism and Ecotourism. The principal targets of achievement by the project are staff capacity development, curriculum revision, strengthening research skills and demand driven action research methodologies, partnership development and setting up mechanisms for sustainable income generation.</p> <p>The project was jointly managed by HoA-REC on behalf of the Ethiopian consortium (five Ethiopian universities) and Free University Amsterdam on behalf of the Dutch consortium (KU Leuven, Belgium and Central University of Technology, South Africa).</p>
