INTERNATIONAL OFFICE

UNESCO/People's Republic of China Fellowship Programme Opportunities to study in China, 2016

The People's Republic of China in partnership with UNESCO are offering seventy five (75) fellowship for advanced studies at undergraduate and postgraduate levels. This fellowship is for the benefit of developing Member States in Africa, Asia-Pacific, Latin America, Europe and North America and the Arab region. The fellowship is for duration of one year in China. The selected candidates will be taught in English. However, in exceptional cases fellows may be required to study in the Chinese language before taking up research/study in their fields of interest.

Degree level

Non-degree programmes.

Deadlines

Application deadline is 20 May 2016.
