

Central University of
Technology, Free State

COMMUNIQUÉ TO STAFF AND STUDENTS

DEVELOPMENTS AT THE CUT CAMPUSES

Dear Staff and Students

Students:

Given the current state of affairs at both the Bloemfontein and Welkom campuses of the University, it was resolved that, in the interest of safety, the University is closed for students with immediate effect.

Staff:

All staff must leave the campus today. Further communication in this regard to staff shall follow later during the day.

Kind regards

A handwritten signature in black ink, appearing to read 'H. de Jager'.
