

Campus Ministries

Campus Ministries would like to welcome you to the Technikon Free State and to introduce ourselves to you. We work in conjunction with the Centre for Counselling and Social Services and are here to assist you to grow in the spiritual dimension of your life and to support you in your spiritual journey.

Your spiritual life is important. Indeed we hope that you may deepen your spiritual life and find a deep and true spiritual path. Campus Ministries represent various faith traditions and denominations. We try to support, encourage, collaborate and share with each other the importance of Christianity. We wholeheartedly endorse a ‘Wellness Life Style’ being promoted throughout the Technikon. Our faith and spirituality are important in helping to bring the necessary balance and wellness into our lives. In the gospel of John we read that Christ said that he came that we may have life and have it to the full. The key to a full and flourishing life is in adopting a life style with a balance between one’s studies, sports, social life and spiritual life.

Please know that we are here to support you in you faith journey and to encourage you in your spiritual life. Our aim is to witness the Spirit of God made known to us is Christ Jesus through building fellowship, praise and worship, service and outreach. We are willing to collaborate with all who share our values or who may approach the living God along a different path. We offer ministry through our various denominations and churches that you can see outlined on this leaflet. We also work as a collaborative group offering joint acts of worship.

Wellness through prayer and the spirit of God is our wish to all students and staff. May you all be blessed and take part in the acts of Campus Ministries.

The grace of our Lord Jesus Christ, the love of God and the fellowship of the Holy Spirit be with you all.

PRAYER:

O God of justice and love, bless us, the people of Southern Africa, and help us to live in your peace. Lord, make me an instrument of your peace: where there is hatred, let me sow love, where there is injury, let me sow pardon; where there is discord, let me sow harmony.

Divine Master, grant that I may not so much seek to be understood, as to understand ; to be loved, as to love; to receive sympathy, as to give it; for it is in giving that we shall be pardoned, in forgetting ourselves that we shall find unending peace with others. Amen.
