Technology, Free State

# STUDY AT CUT

2018/2019

## ACADEMIC ADMINISTRATION INFORMATION

Academic Structure & Student Enrolment Services (sometimes called the "Admissions Office") will assist you with application, admission and registration enquiries.

### WHERE IS THIS OFFICE SITUATED?

Bloemfontein campus: Ground floor, Lapeng Student Centre.  
Welkom campus: Administration Building Help Desk.

### DO YOU KNOW WHAT YOU WANT TO STUDY?

It is a good idea to have a career objective in mind and to verify the admission requirements of the various qualifications offered at CUT.

### HOW TO APPLY:

1. Submit your application form and all the necessary documentation, including an application fee, before the following closing dates: 30 April for the Faculty of Engineering and 31 August for the first semester at the Admissions Office.
2. An SMS will be sent to you informing you of the status of your application, after which a letter of confirmation will be sent to you.
3. Current matriculants who qualify based on their Grade 12 mid-term performance are provisionally admitted, pending the submission of their final matric results, and subject to availability of space ("first-come, first-served" basis).
4. Successful applicants will receive an admission letter, as well as a registration guide that reflects the registration dates and orientation programme.

**It is important to note that all (conditionally) accepted prospective students who wrote the National Senior Certificate (NSC) are required to write the National Benchmark (NBT) before they are allowed to register for their first year at CUT. Read more about this compulsory test at [www.nbt.ac.za](http://www.nbt.ac.za)**

### IN WHICH SCHOOL-LEAVING CATEGORY DO YOU FALL?

- The National Senior Certificate (NSC) has been the new South African school-leaving qualification since 2009.
- The pre-2008 matriculation certificate is the old school-leaving qualification.

**ADMISSION REQUIREMENTS: NATIONAL SENIOR CERTIFICATE (2008 AND THEREAFTER)** (for diplomas, certificates, and foundation or extended curriculum programmes):

- Minimum of level 4 in English Language.
- Minimum of level 4 in Life Orientation.
- Programme-specific requirements.

### DESIGNATED SUBJECTS:

- Applicants who wish to enrol for a diploma or certificate programme should ensure that four of their seven subjects are from the designated list:

Accounting	Languages
Agricultural Sciences	Life Sciences
Business Studies	Mathematics or Mathematical Literacy
Dramatic Arts	Music
Economics	Physical Sciences
Engineering Graphics and Design	Religion Studies
Geography	Visual Arts
History	Consumer Studies
Information Technology	

How to calculate your minimum admission point score (APS). (Remember that Life Orientation is given only 1 point on CUT's scoring scale.)

NSC	NSC%	APS	APS%
		8	90-99
7	80-89	7	80-89
6	70-79	6	70-79
5	60-69	5	60-69
4	50-59	4	50-59
3	40-49	3	40-49
2	30-39	2	30-39
1	0-29	0	0-29

**GENERAL ADMISSION REGULATIONS FOR CANDIDATES WHO COMPLETED THE N QUALIFICATION AT AN TVET COLLEGE:**

For candidates in possession of an N3, N4, N5 and N6 qualification, CUT awards academic weights for achievement according to the following scoring scale:

Symbol achieved	N3	N4 / N5 / N6
A	6	8
B	5	7
C	4	6
D	3	5
E	2	4

NC (V) 4 applicants are eligible for university admission only if they have obtained a full qualification. No applicant will be admitted based on the completion of certain subjects in a qualification.

A candidate is expected to possess a minimum level of proficiency in English, since this is the language of learning and teaching (LOLT) at CUT. A mark of 50% for English as Home Language (vernacular) or First Additional Language is therefore considered as sufficient, although any sufficient proof of proficiency in the English language will also be taken into consideration.

### ADMISSION REQUIREMENTS: SENIOR CERTIFICATE (PRE-2008)

(for diplomas, certificates and foundation or extended curriculum programmes):

- A candidate is expected to possess a minimum level of proficiency in English Language, since this is the language of learning and teaching (LOLT) at CUT. A mark of 50% for English as Home Language (vernacular) or First Additional Language is therefore considered as sufficient, although any proof of proficiency in the English Language will also be taken into consideration.
- A Matriculation Exemption or Further Education and Training Certificate.
- A standard qualification to study for a degree is a matriculation endorsement or equivalent.
- Life Orientation forms part of the final score, with a maximum value of one.

### HOW TO CALCULATE YOUR POINTS WITH THE PRE-2008 SWEDISH RATING SCALE:

Symbol achieved in Grade 12 subjects	Grade of Grade 12 subjects	
	HG	SG
A	8	6
B	7	5
C	6	4
D	5	3
E	4	2
F	3	1

### INTERNATIONAL APPLICATION WITH FOREIGN SCHOOL-LEAVING FOR ADMISSION INTO A DIPLOMA OR CERTIFICATE:

Applications of foreign candidates are considered in accordance with the same regulations as those applicable to other candidates, provided that the foreign qualifications of such candidates are considered equivalent by the South African Qualifications Authority (SAQA). Foreign candidates should complete and submit the application form for international students, and should also meet any and all requirements that may be set for higher education studies in South Africa.

For more information regarding the evaluation of qualifications, please visit the SAQA website at [www.saqa.org.za](http://www.saqa.org.za).

**PS:** The CUT International Students Application Form outlines all the requirements by the university and the South African Government. Please ensure that you meet all your submission dates, as no foreign student will be registered by the university without all the valid, relevant documents (e.g. a study permit and/or sponsor's undertaking, where applicable).

### ENQUIRIES

- **Bloemfontein campus:**  
+27 (0)51 507 3715 / 3784 / 3013 / 3725 / 3021 / 3062 / 3726 / 3744

- **[apply@cut.ac.za](mailto:apply@cut.ac.za)**

### NATIONAL BENCHMARK TEST (NBT)

All prospective first-year students at CUT must write the National Benchmark Test (NBT) prior to registration. The results of the NBT guide the selection teams when placing applicants in appropriate academic programmes and/or recommending appropriate support programmes.

Visit <http://www.cut.ac.za/nbt/>

### APPLICATION DATES AND FEES

APPLICATION DATES	
UNDERGRADUATE STUDIES	
2 <sup>ND</sup> SEMESTER INTAKE 2018	<b>End of May/June</b> (Very limited spaces available in the Faculty of Engineering ONLY for the following programmes: Diploma Civil Engineering, Diploma Electrical, Diploma Mechanical; Bachelor of Mechanical)
JANUARY INTAKE 2019	<b>End of August</b> (all undergraduate programmes)
INTERNATIONAL STUDENTS	
2 <sup>ND</sup> SEMESTER INTAKE 2018	<b>End of May</b> (Very limited spaces available in the Faculty of Engineering ONLY for the following programmes: Diploma Civil Engineering, Diploma Electrical, Diploma Mechanical; Bachelor of Mechanical)
JANUARY INTAKE 2019	<b>End of August</b> (all undergraduate programmes)
BANKING DETAILS	
Check the Application Guide or CUT website, <a href="http://www.cut.ac.za">www.cut.ac.za</a>	
Account Name: Central University of Technology FS	
Bank: First National Bank (FNB)	
Branch: Bloemfontein	
Branch code: 230134	
Account no.: 62538533351	
Reference no.: Student Number or ID/passport number must be provided	

### APPLICATION FEES

2 <sup>ND</sup> SEMESTER 2018		
On or before 29 May 2018		R100.00
On or before 29 June 2018* (Late application)		R100.00
*No applications for the 2 <sup>nd</sup> semester intake will be accepted after 29 June 2018.		
2019		
On or before 31 August 2018		R100.00
On or before 28 September 2018*		R100.00
*Amounts payable are subject to change.		

### OUR VISION

By 2020, Central University of Technology, Free State shall be an engaged university that focuses on producing quality social and technological innovations in socio-economic developments, primarily in the Central region of South Africa.

### OUR CORE VALUES:

Customer service | Integrity | Diversity | Innovation | Excellence

### THE SHORT VERSION OF THE STORY

The Central University of Technology, Free State (CUT) is the foremost higher education institution in the heartland of South Africa, dedicated to quality education and training in Science, Engineering, and Technology.

Over the past 37 years, CUT has developed into a leading institution able to take its place in the national as well as international higher

education landscape. This year the university boasts more than 18 750 students who have decided to make CUT their academic partner in earning a qualification and gaining appropriate experiential training. CUT offers more than 50 programmes at its two campuses in Bloemfontein and Welkom.

### LOCATION AND CAMPUSES

#### BLOEMFONTEIN CAMPUS

CUT's Bloemfontein Campus is the main campus of the institution and located in the centre of the city, just a heartbeat away from the historic Town Hall, Court of Appeal, and the South African Literary Museum. The Campus has four faculties, namely: **Engineering and Information Technology, Health and Environmental Sciences, Humanities and Management Sciences.**

More information, <http://www.cut.ac.za/innovation-in-governance/>

#### WELKOM CAMPUS

CUT's Welkom Campus is situated 160 km northeast of Bloemfontein and is in the hub of the Free State gold fields with several gold mines operational in this part of South Africa.

More information, <http://www.cut.ac.za/welkom-campus-2/>

### ACCOMMODATION (RESIDENCES)

Residences offer students a safe, functionally convenient, on and off campus study and living environment. Currently, there are three residences for ladies as well as four for men (on campus and off campus in Bloemfontein), housing (858) both male and female students. Details will be available on the CUT website.

Welkom campus will soon have its campus residence completed and will be in a position to accommodate 252 students.

Demand always exceeds availability, so it is advisable to apply as soon as possible.

More information, <http://www.cut.ac.za/campus-accomodation/>

### STUDENT LIFE AND FACILITIES

CUT has a stimulating and vibrant student life that encourages students to experience and lead a balanced student life in all its facets. A wide variety of sports is on offer ranging from athletics, rugby, soccer, cricket, hockey, netball, and dance. Those interested in arts and culture can join the Choir and several other student organisations and societies. In addition, students have access to the library with private cubicles, state-of-the-art laboratories, computer centres, Wi-Fi connection across campus, wellness and counselling centres and a dedicated campus radio station.

- Sport, <http://www.cut.ac.za/student-life-sports/>
- Campus Life, <http://www.cut.ac.za/campus-life/>
- Wellness Centre, <http://www.cut.ac.za/student-life-wellness/>
- Library and Information Services, <http://www.cut.ac.za/library/>
- CUT FM, <http://www.cutfm.co.za/Pages/Splash.aspx>

### GRADUATE ATTRIBUTES AND STUDENT PEER MENTORSHIP

Graduate Attributes are skills, qualities and competencies that students at CUT should develop during the course of their studies.

Sustainable development | Community engagement | Entrepreneurship | Innovation and problem solving | Technological literacy | Numeracy | Communication | Technical and conceptual competence | Team work | Citizenship and Global Leadership

More information: <http://www.cut.ac.za/graduate-attributes/>

In order to ensure that our students are receiving the best support, the Student Mentorship Programme was introduced in 2013. The aim of the programme is to provide CUT students with a supportive environment that will motivate and assist them to develop to their maximum personal and academic potential. Mentoring has been found to increase students' academic success, social skills, self-efficacy, and the ability to refine their professional dispositions. Our CUT mentorship programme provides a framework for positive interaction between students, mentors and lecturing staff.

More information: <http://www.cut.ac.za/student-peer-mentorship-programme/>

Academic Assistance: Supplemental Instruction (SI) is an academic assistance programme that aims to improve student performance. SI does not identify high-risk students, but rather identifies high-risk subjects. SI sessions (classes) begin the first week of the term on both the Bloemfontein and Welkom campuses. The sessions are open to all students in specific subjects who obtain 50% and below in any of their tests. During these sessions, we aim to integrate "how-to-learn" with "what-to-learn". Through these sessions, the students discover correct study strategies!

More information: <http://www.cut.ac.za/centre-for-teaching-and-learning/>

### FACULTIES AND DEPARTMENTS

#### FACULTY OF ENGINEERING AND INFORMATION TECHNOLOGY

- Department of Built Environment
- Department of Civil Engineering
- Department of Electrical, Electronic and Computer Engineering
- Department of Information Technology
- Department of Mathematics and Physical Sciences
- Department of Mechanical and Mechatronic Engineering

#### GENERAL ENQUIRIES

**Faculty Administrator:** Mr BWV Jeremiah  
**Tel.:** 051 507 3070 | **Fax:** 051 507 3254 | **E-mail:** [bjeremia@cut.ac.za](mailto:bjeremia@cut.ac.za)  
**Faculty Officer:** Ms M Mbeo  
**Tel.:** 051 507 3081 | **Fax:** 051 507 3254 | **E-mail:** [mmbeo@cut.ac.za](mailto:mmbeo@cut.ac.za)

#### FACULTY OF HEALTH AND ENVIRONMENTAL SCIENCES

- Department of Agriculture
- Department of Clinical Sciences
- Department of Health Sciences
- Department of Life Sciences

#### GENERAL ENQUIRIES

**Faculty Administrator:** Ms BF Mooketsi  
**Tel.:** 051 507 3433 | **Fax:** 051 507 3355 | **E-mail:** [bmooketsi@cut.ac.za](mailto:bmooketsi@cut.ac.za)

#### FACULTY OF MANAGEMENT SCIENCES

- Department of Business Management
- Department of Business Support Studies
- Department of Accounting and Auditing
- Department of Government Management
- Department of Hospitality Management
- Department of Tourism and Event Management

#### GENERAL ENQUIRIES

**Faculty Administrator:** Mr B Mokoma  
**Tel.:** 051 507 3261 | **Fax:** 051 507 3133 | **E-mail:** [bmokoma@cut.ac.za](mailto:bmokoma@cut.ac.za)

#### FACULTY OF HUMANITIES

- Department of Communication Sciences

- Department of Design and Studio Art
- Department of Language and Social Sciences Education
- Department of Mathematics, Science and Technology Education
- Department of Post Graduate Studies in Education

#### GENERAL ENQUIRIES

**Faculty Administrator:** Mr T Williams

### GLOBAL PARTNERSHIPS

Partnerships with various universities have offered CUT many opportunities in areas of collaborative research, academic exchange programmes for CUT and international students. Each year, the university sends students to and accepts students from international destinations such as Belgium, Germany, France, Rwanda and many more - through partnership agreements with universities the world over. CUT has an active collaboration agreement with Aalen University of Applied Science, regularly exchanging students, as well as various teaching, learning, and research projects. This provides many opportunities - for students from these countries to study at CUT; for staff members from the institutions to engage in research and teaching, and for the mutual recognition of qualifications awarded by the institutions.

International Office, <http://www.cut.ac.za/international-office/>

### RESEARCH EXCELLENCE

CUT has achieved external recognition in research and innovations, and recognised by NRF for being the most improved institution in terms of its research performance and outputs. It hosts the South African Research Chairs Initiative (SARCHI) for its leading role in additive manufacturing (3D printing) within higher education sector. Research publications has grown by 22%. The university established two Research Centres, 12 Units and a number of rated researchers. We are the leader in entrepreneurship education within Universities of Technology.

More information, <http://www.cut.ac.za/research-and-development/>

### ACADEMIC STAFF

32% of academic staff holds a doctoral degree – the highest of all the Universities of Technology in SA.

### OUR FAMOUS ALUMNI

CUT has a proud history of honouring prominent leaders and world-renowned individuals by conferring on them various Doctor Technologiae (DTech) degrees, honoris causa. Among the recipients of such honorary CUT doctorates are the late Dr Nelson Rolihlahla Mandela, Dr Desmond Tutu, Dr Trevor Manuel, Dr Kadar Asmal, Dr Sankie Mthembu-Mahanyele, Dr Khotso Mokhele, Dr Boet Troskie, Dr T Wohler, Dr Petrus Ramatlai Molemela, Dr Pravin Gordhan, Dr Herman Mashaba Dr Gill Marcus, and Prof. Seeram Ramakrishna.

CUT has a wonderful rich sporting history as it should, situated in the heartland of South Africa, the Free State province. We continue to do so with more and more sporting legends starting great professional careers at our state-of-the-art facilities.

### THE LEGENDS

- Zola Budd Pieterse world famous track and field champion, known as a barefoot runner.

- Os du Randt most-capped forward in the history of the South African rugby, Free State Cheetahs was his home for many years. He was in three World Cup tournaments 1995 (South Africa won), 1999, and 2007 (South Africa won).

- André Venter Springbok rugby player who was part of the 1999 Rugby World Cup squad for South Africa.

- Other Springbok rugby players: Daan Human, Gerrie Britz, Helgard Müller, Pieter Müller, Philip Smit, AJ Venter, Ashley Johnston.

- Nicky Boje played in 43 tests and 115 one-day internationals for South Africa.

- Other Protea cricketers: Johan van der Wath, Dillon du Preez

### LEGENDS IN THE MAKING

- Trevor Nyakane rugby Springbok player, FNB CUT Ixias Varsity Shield tournament star.

- Seabelo Senatla currently playing in the Springbok sevens rugby also appointed as the best 7-a-side player in the 7's World Tournament of 2014.

- Dean Elgar and Rilee Rossouw, South African cricket test players.

More information, <http://www.cut.ac.za/student-life-sports/>

### DID YOU KNOW

- *In 2018, ±46% of students were enrolled in priority Science, Technology, Engineering and Mathematics (STEM) fields.*

- *CUT has 24-hour study venues.*

- *CUT has a Careers Office that will equip you with the necessary competencies to successfully compete in the highly competitive labour market, namely job-hunting skills, mock interviews, etc.*

- *The institution's Gospel Choir is a multiple-award-winning team.*
